

LEGAL EAGLE GATHERING - Northern California

Gathering of those interested in Leonard Milholland's Legal Eagles and Double Eagles. There are many builders and flyers in our area. This gathering will bring Eagles together and share ideas, answer questions, motivate and create some camaraderie.

Legal Eagle the original Ultralight

Double Eagle 2 place LSA

Legal Eagle Ultralight

Saturday September 26th , 2015

- 9:00 Coffee and Donuts
- 10:00-10:45 What it takes to fly ultralights
- 11:00-11:45 Wing Building Seminar
- 12:00-12:30 Lunch
- 12:30-1:15 Engine Seminar

There will be flying Legal Eagles, Legal Eagle XL. Things to look at, rib building jigs, sample wing, questions answered. Lots of fun.

There are motels in town, about a mile away, camping at Sandy Beach and other local camp grounds. Contact myself or Gerry Nolan at gerrynolan@aol.com, 707-628-9987. There is an RV park in town, call ahead.

Rio Vista is next door to the Delta and a lot of Legal Eagle flying spaces. Great EAA chapter with lots of support. Several Legal Eagle and Double Eagle builders on the airport or close by.

Rio Vista Municipal Airport 088

Rio Vista, California 94571

Northern California Legal Eagle Gathering

Co-Sponsored by EAA Chapter 1474

All parking on grass north side of hangers

Legal Eagle - best described as a slow Cub. A real flying machine.
